

How to access learning while the school is closed

Every day (by 9am) teachers will post work to be completed on the school website.

You will find this by choosing 'Learning', 'Class Pages' and then the name of the class e.g. 'Mars'.

Then open the document for that day.

The work should be completed in Home / School learning books and the presentation and high standards at school should be expected at home. In Key Stage 2 children complete their maths work and drawings in pencil. Other subjects can be completed in pen.

Key Stage 2 Timetable

Monday	Tuesday	Wednesday	Thursday	Friday
A maths task	A maths task	A maths task	A maths task	A maths task
A reading task	A reading task	A reading task	A reading task	A reading task
A spelling task	A spelling task	A spelling task	A spelling task	A spelling task
RE focus task	Science focus task	RE focus task	Topic focus task	P4C focus task

Children may need to access lgfl to watch some videos for their learning. They have a username and password for this at the back of their Home Learning books. To access this please go to: <https://my.uso.im/> and select Easy Login then put in the details found at the back of the book. The password is always 1234 (except Neptune Class - 1111). If your child's username isn't recorded on the label at the back of the book then please email the office and we will send this to you.

There are extra worksheets in your child's pack if you would like them to complete extra work.

They could also use some of the following sites to access other learning opportunities:

www.readingeggs.co.uk/	www.bbc.co.uk/newsround
https://whiterosemaths.com/	www.busythings.lgfl.net
www.twinkl.co.uk/	www.purplemash.lgfl.net
www.bbc.co.uk/bitesize/primary	www.login.mathletics.com

If you have any queries for the teacher during this time then please email the school office and we will do our best to get back to you.
