

# Sun Class

## Monday 13<sup>th</sup> July 2020

Hi Sun class, it's our last week together in nursery, home-schooling for some of you and some of you will be enjoying your final week in school before we break up for the 6 week holidays.

### Physical Task

Today I recommend ...

Andy's Wild Workouts on  
<https://www.bbc.co.uk/iplayer/episode/p06tmtxh/andys-wild-workouts-series-1-10-arctic>

### Maths Task

#### Activity:

Use the number line to practise forming your numbers today. Can you draw an s, do not wait when it's joined up you have an 8?

# Sun Class

## Monday 13<sup>th</sup> July 2020

### Phonics Task

Today we are working on nk.

Everyday Ruth Miskin are streaming three, short Speed Sounds lessons for children to watch at home every weekday on their YouTube channel. These are ideal for nursery, Reception and KSI children (PHONICS) <https://www.ruthmiskin.com/en/find-out-more/parents/> Please access YouTube to try phonics with Ruth Miskin • Set 1 Speed Sounds 9.30 am daily. Use the link to access the live stream.

Ask your child to practise writing the letter 'nk' or making it with play dough- you can use salt/sugar to write out letters on a plate. I have added a picture below of different fine motor ideas to help develop their phonetic knowledge and fine motor skills. (It is the c sound but the idea applies to all sounds.)

### English Task

This week we will be reading Little Red Riding Hood  
Here is a link on YouTube, if you do not have this book at home. <https://www.youtube.com/watch?v=GbzMC6qAzVU>

Activity:

Can you make your own Little Red Riding Hood puppet?

# Sun Class

## Monday 13<sup>th</sup> July 2020

There are lots of different ways to make puppets, I have added an idea for you below and a worksheet if you are able to print.

Little Red Riding Hood

Cut out the mask and eye holes, and attach to a lollipop stick for children to hold when role-playing.

Sun Class  
Monday 13<sup>th</sup> July 2020

Monday / Wednesday RE Task

How can I take care of God's wonderful world?

What can you do to help save the Earth?

Draw a picture of you saving the Earth!

Daily Prayer to practise and learn

This week please practise our midday prayer:

Bless us O God, as we sit together

Bless the food we eat today

Bless the hands that make the food

Bless us O God, Amen.

# Sun Class

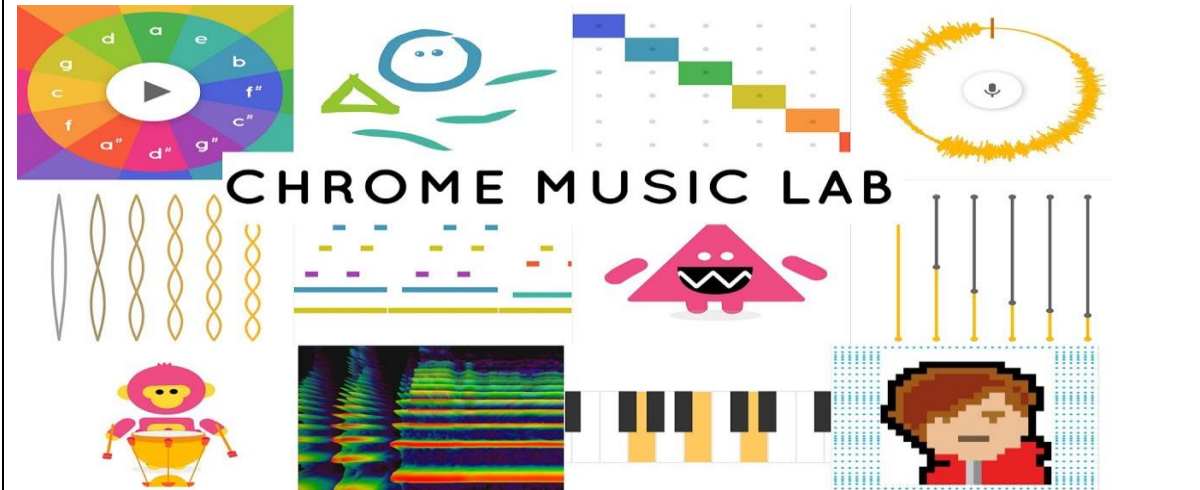

## Monday 13<sup>th</sup> July 2020

### Daily Music Task

<https://musiclab.chromeexperiments.com/Experiments>

Chrome Music Lab

### Daily Something Extra you could try...

Can you use pegs to match numerals to amounts?  
Make a hedgehog, draw different amount of dots and then add clothes pegs to the body to make a 'prickly hedgehog'.  
This is really good for hand and eye coordination and developing fine motor skills without using a pen.
