

Pluto Class

Wednesday 15th July 2020

Can't wait to see you all to celebrate all the hard work you have done this year!

We are all so proud of you and can't wait to commemorate all your years at St Johns.

Spend today remembering all the best memories you have of our amazing school, all the wonderful friends you have made and all the hard work you have put in.

And finally... spend today getting ready for an amazing final day of all of us together!
